No structured program, no paid speakers... just fresh content, the latest digital trends, business and marketing tips and what's happening now and next in the industry.

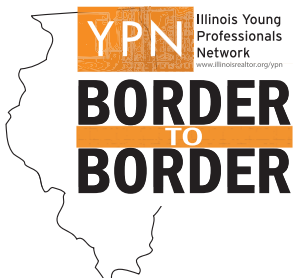

This event is not structured like a typical conference where every session is planned out in advance. Anybody can lead a discussion and attendees are strongly encouraged to participate.

*This is a volunteer-run experience and not a profit-driven event, powered by the **Illinois Young Professionals Network (YPN)**.*

REbarcamp Illinois is FREE to all, thanks to our sponsors.
